TECHCATION

THE BRAINERY CODE™

NOV – DEC 2026 HOLIDAY CAMP

AGE OF INNOVATION

Young innovators, bring your imagination to life! Over two days of coding and design, you'll turn bold ideas into reality, with expert guidance at every step

JR (AGES 5 – 8)

- **TinkerCad** — Master 3D design, through digital prototyping.
- **Blockly** — Turn ideas into programs while building logic, through coding.
- **Padlet** — A digital mind-mapper to organise and document your learning journey.

SR (AGES 9+)

- **Padlet** — A digital mind-mapper to organise and document your learning journey.
- **Onshape** — Transform challenges into 3D-designed solutions.

SIGN UP HERE!

ADD-ONS

- **JR** — Learn basics of coding in Minecraft's immersive environment.
- **SR** — Learn text-based coding in Roblox's engaging environment.
- **JR & SR** — Build your own robot to complete missions with LEGO Spike.

FAST TRACK — Complete 1 level
